

ABOUT DEACONESS HOSPITAL

At MultiCare Deaconess Hospital, we offer high-quality inpatient, outpatient, diagnostic imaging, medical, surgical and emergency services to the greater Spokane community. As an acute care hospital, we have a Level III Trauma Center, a Certified Chest Pain Center, a Certified Total Joint Restoration Center, an accredited Primary Stroke Center and are the only hospital in the area to be nationally accredited in bariatric surgery. Deaconess also features a Maternal Fetal Medicine program and Level III Neonatal Intensive Care Unit.

SPOKANE COMMUNITY

Spokane is the second largest city in Washington state situated along the banks of the Spokane River, where the Columbia River Valley rises to meet the forests of the northern Rockies. The access to outdoor activities paired with the region's four-season climate makes the area perfect for any adventure seekers. Within a short drive, you'll have access to lakes, rivers, golf courses, wineries, ski resorts, and major national parks. Spokane's accessible downtown also offers incredible arts and delectable dining.

COMMUNITY FACTS

- Residents' median age – 35
- Home of the Lilac Bloomsday Run, the largest road race in the U.S.
- Hosts Hoopfest, the largest 3-on-3 basketball tournament
- Thriving arts community
